INTERVIEW SUMMARY

The Examiner for this divisional application called the undersigned on November 8, 2004. Apparently, an Office Action was erroneously mailed to the wrong address by the Patent and Trademark Office (see copy enclosed) on March 1, 2004. The addressee returned the Office Action to the Patent Office.

I informed the Examiner about the correct address for the Office Action. He indicated that he would be reissuing the Office Action and sending it to the undersigned at the address set forth below.

Also, applicant has not received the Official Filing Receipt. Please resend it to the correct address along with the Office Action.

Favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: Nov 8, 2004
